*A few T&C's apply. Visit www.beame.co.za to read the T&C's.

PRODUCT FEATURES AND BENEFITS

-  Jamming Detect Beame can detect vehicle jamming and alert the Control Centre, to ensure continuous visibility, helping to combat vehicle theft.
-  Smart Wireless Technology Beame installations don't interfere with the wiring of your car so it won't affect your vehicle's electronic warranty.
-  Easy To Hide Easily hidden in basically anything with a number plate.
-  Quick Installation Beame is not connected to your vehicle's power supply, which means fast, hassle free, non-intrusive installation without compromising your vehicle's electronics or warranties.
-  Low Battery Alert Beame has a minimum 3-year battery life. When your battery runs low, you will be notified.
-  Lifetime Warranty* If your Beame device needs to be replaced, we will install it for you, free of charge*.
-  Multi Vehicle Type Beame is a small, wireless recovery device that fits easily into your vehicle, motorbike, quad bike, trailer, caravan or any other movable assets.

RECOVERY FEATURES

-  National Network Coverage Beame enables stolen vehicle recovery anywhere in South Africa.
-  Dedicated Recovery Teams With Beame, you have 24/7/365 days access to a dedicated recovery team and recovery services.
-  Free Stolen Vehicle Recovery* No additional costs when a real recovery is made for stolen and/or hi-jacked vehicles.

QUALITY STANDARDS

-  Vesa Approved With VESA approval and ABS certification, you can rest assured that Beame offers you the best stolen vehicle recovery product.
-  Abs Accreditation
-  Insurance Approved Beame is approved by all major insurance companies.
-  Confidence Checks With Beame's Confidence Checks, you can contact us at any time to ensure that your device is in good working condition.
